

Information on data processing in conformity with Art. 13 General Data Protection Regulation

1. Contact details of the data controller

The controller as defined by the EU General Data Protection Regulation (GDPR) and other provisions under data protection law is:

Deutsches Klimarechenzentrum GmbH, Bundesstraße 45a, 20146 Hamburg, 040 460094 0, www.dkrz.de

2. Contact details of the Data Protection Officer

The Data Protection Officer of the controller is Heidi Schuster, Max-Planck-Gesellschaft, Hofgartenstraße 8, D-80539 Munich, telephone: +49 (89) 2108-1554, email address: datenschutz@mpg.de

3. Purpose of data processing

The purpose of data processing is the registration process to organise and hold the training course "Introduction to OpenACC in ICON" as a hybrid event on June 21-22, 2023, with the on-site part taking place at the German Climate Computing Center in Hamburg, Germany. The training course will be organised by and funded through the WarmWorld Faster project.

An additional purpose of the data processing is the collection of photo footage for documentation and dissemination purposes, such as news items about the event, and for reporting to the funding agency BMBF. Participants who do not wish to appear in footage used for communication and dissemination purposes are free to contact the WarmWorld project office via warmworld_office@mpimet.mpg.de after the event.

4. Legal basis of data processing

The legal basis of data processing for the event organisation, documentation and dissemination is the consent given upon registration (Art. 6 para. 1 lit. a GDPR) and the contract that is concluded with us upon registration (Art. 6 Abs. 1 lit. b GDPR).

Additionally, the legal basis for the livestream is Article 6, para. 1, lit. f GDPR (legitimate interests of the controller).

5. Data recipients and categories of data recipients

The registration data are collected and used within DKRZ for the sole purpose of organising and realising the training course. Your full name, e-mail address and institute affiliation are required for the registration.

The broadcast of the livestream of the lecture part of the training will take place via Zoom¹.

During the lectures, questions from the virtually participating audience will be collected in editable Google Docs on Google Drive² accessible via a public URL provided to the participants. Presentation slides of the lectures will be made available to the ICON developer community on gitlab.dkrz.de. Photographs taken at the meeting may be used for dissemination and communication purposes and published on the project website or in any other means that belongs to the authorised institution, i.e. DKRZ.

The registration data is not passed on to third parties.

6. Duration of storage

- The data collected during the registration process will be stored until no later one year after the respective talk.

7. Your rights

You are entitled to the rights of access (Article 15 GDPR), rectification (Article 16 GDPR), erasure (Article 17, para. 1 GDPR), restriction of processing (Article 18 GDPR), data portability (Article 20 GDPR) and withdrawal of consent (Article 7, para. 3 GDPR). You also have the right to submit an objection to the supervisory authority. For the DKRZ, this is Hamburgische Beauftragte für Datenschutz und Informationsfreiheit, Ludwig-Erhard-Str. 22, 7. OG, 20459 Hamburg.
